The Texas Asian Republican Assembly was established on June 8, 2013 at the second quarterly State Republican Executive Committee as an official auxiliary to the Republican Party of Texas. TARA's mission is to engage the growing Asian American community and build relationships based on the core values that we have in common – Free enterprise, limited government, fiscal conservatism, national defense, family values, and education. Led by our President, Commissioner Andy Nguyen of Tarrant County, TARA desires to make a strong difference for the Republican Party around our state. Join us!
